About us

The support association funds a wide range of projects at our school. It is important to us that our projects benefit all children.

We assist with school events by providing volunteers, organisational help, or financial support, working together with the school administration, teachers, and parents.

Some of the projects supported by the association include:

- game boxes for classrooms
- welcome gifts for first graders
- helping organise the school enrollment celebration
- special learning equipment, e.g. seating rugs and mobile desks
- sale of school T-shirts
- school festivals and play activities
- playground toys and vehicles
- financial support for project weeks
- special gifts on "Nikolaus"- day
- financial support for class trips
- parents' café every two weeks
- purchase of a music speaker

We are counting on you!

All parents and friends of our school are welcome to become members of the support association. We need your support and your ideas to make a real difference for the children!
We look forward to welcoming you!
